

**FLORIDA ASSOCIATION OF
ENVIRONMENTAL SOIL SCIENTISTS**
FAESS STUDENT MEMBERSHIP APPLICATION

Since no dues are required, simply email the following information to our Secretary/Treasurer, Travis Richardson (TRichardson@sjrwm.com):

First name
Middle name
Last name
School email address
Degree being sought
School attending
Anticipated graduation date

Simply include that information and inform him you would like to be a student member of FAESS. Also be sure to include for which years you are requesting membership.

While no dues are required, we request that you email Travis each year before the business meeting to inform him that you would like to continue membership. If we don't hear from you or see you at the meeting, then we will assume you are no longer active or have graduated and remove you from the membership and email distribution list.

Thank you for your interest in FAESS. We hope to see you at our meetings and workshops 😊
