

22nd Annual Hydric Soils Workshop

by

Florida Association of Environmental Soil Scientists

Tuesday, April 12, 2011

North Florida Research and Education Center

155 Research Road - Quincy, FL 32351

This one day comprehensive workshop includes lectures and a field exercise that identifies commonly occurring hydric soil indicators in Florida. **Registration form is below.** Lectures are provided by some of the most respected experts in the field of wetlands and hydric soils. All participants will receive a copy of the Hydric Soils of Florida Handbook, 4th Edition, a laminated one-page copy of the Hydric Soil Indicators, and a ball cap.

Tuesday, April 12, 2011
