

# FAESS

Florida Association of  
Environmental Soil Scientists

*Providing leadership in soil and environmental science since 1975*

## 2023 Hydric Soils Workshop

Friday April 14, 2023

UNIVERSITY OF CENTRAL FLORIDA CAMPUS

UCF CAMPUS MAP, ORLANDO, FL

12805 PEGAGUS DRIVE

ORLANDO, FL 32816

(PARKING – PARKING GARAGE C OR D; CLASSROOM BUILDING II, ROOM 206)

### Agenda

- |               |                                                                                                   |
|---------------|---------------------------------------------------------------------------------------------------|
| 7:30 – 8:00   | Registration/Sign-In (Juice and Coffee Available)                                                 |
| 8:00 - 9:00   | Fundamentals in Soil Science: Emphasis on Wet Soils: Emphasis on Wet Soils (Travis C. Richardson) |
| 9:00 – 9:50   | Identification of Regional Hydric Soils: Organic & Sandy Indicators (Lisl Townsend)               |
| 9:50 – 10:00  | Break                                                                                             |
| 10:00- 10:30  | Identification of Regional Hydric Soils: The Fine Soil Indicators (FAESS)                         |
| 10:30 – 11:30 | Landscape Hydrology and Determining the Seasonal High Water Table (L. Rex Ellis)                  |
| 11:30 – 12:30 | Special Topics: Wetland, Soils, Hydrology, or OSTDS Guest Lecturer (Dr. Lisa Chambers, UCF)       |
| 12:30 – 1:30  | Lunch Provided                                                                                    |
| 1:30 – 5:00   | Field Exercises: Identification of Hydric Soil Indicators and Indicators of Seasonal High Water   |
